**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small business owner who supports broadband competition. I use a local competitive provider that is not a huge corporation to provide my broadband service because I get personalized customer service and cheaper pricing.

Don't let huge providers get monopoly like domination of the market because it will inevitably lead to price hikes and worse customer service.

Thank you for doing the right thing.

Sincerely,

Mark Bernstein, MD
